Microchip your dog. Keep your information with the company up-to-date if you move or change phone numbers.

Keep a collar with a readable and up-to-date ID tag on your dog at all times.

POST FLYERS

Hang flyers in your neighborhood, give to your neighbors, and post at local businesses.

Leave a few flyers with local police and fire departments, as well as the facilities listed above.

** Check in with shelters in surrounding counties near you as soon as possible. Thurston has a night drop on the outside of their facility that a dog can be put into for safety. Do NOT leave dogs at Adopt-A-Pet when they are not open.*
